S: OeNB. MFIs = monetary finance institutes. - Data from 29.11.2019. - 1) Including the OeNB. - 2) Starting with the reporting period of 30 June 2005 loans are reported as nominal values. - 3) Excluding general governments. - 4) Excluding currency in circulation. - 5) Debt securities held by euro area residents. Debt securities held by non-euro area residents are contained in the item "external liabilities". - 6) Items are consolidated by claims on euro area MFIs. - 7) Due to technical reasons, the item "securities issued" is distorted upwards up to and including September 2002 by securities over 2 years held by non-euro area residents. In the same way the item "External liabilities" is distorted downwards by the same amount. - 8) The item "capital and reserves" is net of shares and other equity of euro area MFIs.
