Two thirds of first-time enrolled students at universities obtain a degree within ten years

Vienna, 2020-05-20 – Of all first-time students at public universities in the winter semester 2008/2009, 66.2% have successfully completed at least one degree course at an Austrian university within ten years. Less than a quarter (24.6%) dropped out.

These and other results are published in the booklet "Education in Figures 2018/19" by Statistics Austria.
